

## **REMARKS**

With regard to the amendment to the specification, it is noted that this application was filed prior to the change in the law of November 29, 2000, and thus the rules applicable to applications filed after November 29, 2000 requiring that claims to benefit of co-pending applications be filed within certain time limits, are not applicable to the present application.

### **Response to Restriction Requirement**

In response to the restriction requirement set forth in the Office Action of May 4, 2005, Applicant elects Group I, and specie 3 drawn to detecting color of the paper.
